

TACKLE HUNGER

FOOTBALL SQUARES POOL BOX INSTRUCTIONS

Thank you for hosting a Football Squares Pool for Move For Hunger! Here is a guide for hosting your own Football Squares Pool.

STEP 1: DOWNLOAD BOXES

- Download one of the Boxes options from the Move For Hunger page

STEP 2: SELL BOXES

- There are 100 boxes (Do not sell the green boxes)
- Determine the cost of each box, and the number of boxes each person is allowed to pick, if you wish. 50% of the winnings will be awarded to your winners, 50% will be donated to Move For Hunger.
 - A suggestion – is \$10 per box, which will bring in \$1000 total. \$500 donation to Move For Hunger. The other \$500 divided between the Halftime winner and the Final Score winner - \$200 Halftime winner; \$300 Final Score winner)
 - **Other Selling Suggestions:** You *could* consider selling the boxes at different prices.
 - Sell each box for \$20 and have a 1st and 3rd quarter winner too.
 - Sell each box for \$20 and raise \$2000. \$1000 goes to Move For Hunger and \$1000 goes to 2 or 4 winners.
 - (Note: At \$20, it is more difficult to sell 100 boxes. At \$10, many people buy 2.)
 - Sell each box for \$5 per box, that is \$250 to Move For Hunger and \$250 to two winners. This is easier to sell, but people may not like it since the winnings are lower, and its only \$250 raised.
- Sell Boxes to your friends, colleagues, neighbors, anyone in your network who wants to support a good cause!
- Determine how you want to collect the finds from your players (cash, check, venmo...)

STEP 3: RANDOMLY ASSIGN NUMBERS TO THE NFC AND AFC TEAMS

- Once all of the boxes are sold, numbers 0-9 are picked at random for the NFC team, and again for the AFC team. These numbers are put in the green boxes at the top and left.
 - Remember, they are picked at RANDOM, so it's not 0, 1, 2, 3... it's something like 5,7,0,9....
 - You could put the numbers in a bag or cup and have someone else pick them.

STEP 4: WATCH THE BIG GAME AND ANNOUNCE YOUR WINNERS

- At the end of the quarter look at the online boxes and announce your winners.
- Say the halftime score is 21-14. You find the column and row with the 1 (from 21) and the 4 (from 14). Where they intersect this is the winner.
- Do the same for the final score. Say its 35-20. You take the 5 and 0. Where they intersect you have the winner

STEP 5: PAY OUT YOUR WINNERS AND DONATE TO MOVE FOR HUNGER

- 50% of the proceeds will go to your winner(s) – however you decide
- 50% will go to Move For Hunger
 - You can donate to Move For Hunger on the Move For Hunger website. Please note “Tackle Hunger 2023” in the comments section
 - You can send a check to Move For Hunger at 7 3rd Avenue, Neptune City NJ 07753. Please note “Tackle Hunger 2023” on your check.
